November 2018 Newsletter - Winter 2

Dear Parents/Carers,

Welcome back, we hope you all had a good half term break.

The children have settled very well into the routine and are all very happy learning to become independent, we are very pleased with their progress.

The theme this term is 'Winter and its Festivals' covering fireworks, firework safety, changes in the weather, Diwali and Christmas, so we have lots of activities planned.

Term dates and colours of the week are printed on the other side of this letter, please keep them for reference. Children are welcome to bring in items each week for our display table (please ensure they are suitable and not too precious!) for the colour of the week.

It is important that you notify a staff member if anybody other than yourself will be picking up your child. We will not release your child to anybody other than yourself without prior permission. Please also ensure that all of your contact details are up to date in case of emergency.

If your child stays for lunch please can you clearly label the outside of the box if any food item requires heating so we can ensure this is ready for them when they sit down. Can we also remind you to bring a piece of fruit for each session your child attends (two per day if they are here for the morning and afternoon).

Please speak to Sharon or Kate if you would like to increase your hours in January.

A final reminder, fees are payable in advance at the beginning of each half-term for all sessions for which your child is registered. If you have received an invoice, please make sure your fees are paid on time to guarantee your child's place at Pre-School. If you have any problems or questions please ask Sharon or Emma.

With thanks

Sharon & Team
